Registration is for **both** Fall and Spring soccer seasons. Fall Season runs September through mid November, Spring Season runs April through June. All registrations will be waitlisted until enough coaches have been secured. Players will be taken from the wait list in the order of registration (all registrations are date and time stamped), The best way to be sure that you can get on a team, and have a request honored, is to register early.

- Requests are never guaranteed. We will try to honor all requests that are made by the June deadline, but in some cases it may not be possible to accommodate requests.
- *All coaches/volunteers **MUST** complete all mandatory background checks and concussion training*
