

Soccer Parent Value Statements

Active Health

We acknowledge the importance of long-term athlete development and we understand that youth soccer participation supports an active lifestyle; the longer children continue to play sports, the more likely they are to be healthy and active adults.

Coach Integrity

We acknowledge the positive impact a coach can make on a child's life, and we commit to holding coaches to a high standard of integrity, professionalism and compassion so our children feel optimistic about their potential, even in the face of defeat.

Life Lessons

We support our children's youth soccer participation because we want them to develop grit, determination, and resiliency while learning the empathy, compassion and solidarity that will make them caring and committed adults.

Soccer Talk

We foster our children's love of soccer by seeking to educate ourselves about the rules, nuances and intricacies of the game.

Love of the Game

We acknowledge that every child has varying levels of athletic potential and we seek to establish an environment where ALL children can play youth soccer because they LOVE TO PLAY, not because they want a college scholarship or a professional contract.

Balanced Outlook

We seek to use a clear perspective when making soccer choices for our children, ensuring the decisions are in the best interest of the child's long-term happiness, contentment and positive attitude.
